Fruit and Potato Orders Special Edition

Dear Member,

I don't know if its COVID or BREXIT or something else – but things continue to change. This year our Fruit and Potato suppliers have asked for our orders to be earlier than normal. So, this special edition Newsletter is to provide you with information to get your orders in. To save on paper you just need to separate this document down the middle and use page 2 to write your orders. Please remember we can only accept cash or cheques.

We have not received details from Kings Seeds or when over winter onions, garlic and broad beans will be available so there will be another Newsletter in late August with that detail.

My thanks to our newsletter deliverers who will be delivering 3 times in 3 months.

The recently announced hosepipe ban by Southern Water does not affect us as we are supplied by Portsmouth Water, however, they have asked for water usage to be minimised as far as possible.

Jim More
Chairman

Summer Show

Saturday 20 August 2022 at St Mary's Parish Centre, Alverstoke

Show Schedules are available from Allotment Stores or from the Show Co-ordinator Steve on 02392587662 and on the website www.gosportallotments.co.uk. For those with Trophies can you please return them to a Committee Member or Store before show day.

We welcome anyone who wishes to have a go at entering the show. We don't take things too seriously. It is good fun you may pick up a place card or even one of the flashy trophies.

Doors open at 8am for exhibitors to set up, then the hall is cleared for judging between 11am to 12.15pm and then open for public viewing from 12.15 pm to 2pm before prize giving.

We also give out the awards for the Association run best allotment competition on summer show day.

We look forward to seeing you on Show Day!
